

How it Works

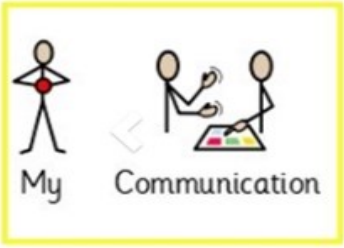

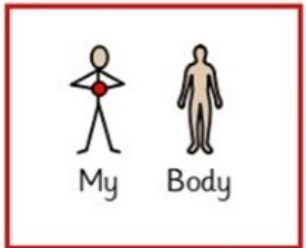

Each term, support your child to pick the homework they wish to complete, aiming to collect at least 5 stars in total.

Bear Class Homework Pick and Mix

Autumn 2023

				
<p>Share a fantasy story. Look at the pictures, follow the words and choose your favourite characters / events. Can you predict what might happen next? Can you join in with any repeated phrases? What objects can you see in the story? ★</p>	<p>Can you find and identify your different body parts? Can you find the same body parts on a family member? How can you move your body parts in different ways? ★</p>	<p>Find some photos of 'special' people to you and send to school to share with your friends. Can you identify 'who', 'what doing', 'what' and 'where' for example 'Mum drinking juice in the garden'. ★</p>	<p>Complete your favourite exercise. This could be swimming, football, dancing or having a walk in the local area. How does it make you feel? Can you move at different speeds? Can you feel your breathing and heart beating faster? ★</p>	<p>We will be making a box this term in Design and Technology - can you explore different boxes and packaging and express which you like and don't like? Can you say or sign why? What material are they made from? What colours can you see? Can you read any of the words or find any letters you know? ★</p>
<p>Find a recipe to make together and practise your cooking skills. Remember to look at what ingredients you need and the method you need to follow. Can you make a shopping list? Can you follow handwashing routines and safe kitchen rules? ★★</p>	<p>Visit a local shop and use money to buy an item, practising your money handling skills. Can you count different coins? Can you group different coins based on their size, colour or value? ★★</p>	<p>Create a feelings board to talk about how you feel. What can you do when you are feeling sad or angry? What makes you feel happy? ★★</p>	<p>Can you get ready for the day independently? Can you find your own clothes and put these on, making sure the clothes you took off are turned the right way and put in the washing basket? ★★</p>	<p>Can you draw a portrait of a friend or family member? What colour are their eyes and hair? Can you use different tools such as felt-tip pens, pencil crayons, wax crayons or paint? ★★</p>
<p>Look around outside and find items that make you think of Autumn, can you use them to make a poem? Think of words to describe Autumn including colour, shape and texture. Can you think of other words that begin with the same letter? ★★★</p>	<p>Use some everyday technology to complete a 'job'. Can you help to load the washing machine and turn it on? Can you use the remote control to turn the TV off? Can you look at different clocks around the house to tell the time with adult support? ★★★</p>	<p>There are lots of events to 'celebrate' over this term. Keep a diary of the ones you celebrate and how. Who do you like to celebrate with and what do you like doing? ★★★</p>	<p>Put together a series of dance moves to make your own routine. This could be, balancing, rolling, jumping or spinning. Film your routines and watch them back together. ★★★</p>	<p>We are learning about nurses now and in the past. Can you role play being a nurse and helping to look after your family members? What do we need to do to stay healthy? ★★★</p>
