

Autumn 2024 Curriculum Newsletter

Bumblebee Class

As our new School Year starts, I would like to welcome you to Bumblebee class, introduce the people who will be teaching and caring for your child and explain a little about what we will be learning this term.

Staffing

The staff in Bumblebee Class are:-

Mr Kev Holloway-King – Teacher
Ms Deb Box -HLTA
Mrs Amy Brown – Teaching Assistant
Mrs Becki Edwards-Teaching Assistant
Mrs Julie James -Teaching Assistant
Miss Peta Power - SEN Support Worker
Mrs Louise Homer- SEN Support Worker

Learning and development

The learning and development in Bumblebee class is all planned to meet the pupils needs and help them reach their full potential. We use The Engagement model, when completing our observations which you can see on the Evidence for Learning App. The Engagement model has 5 areas these are: Exploration, Realisation, Anticipation, Persistence and initiation. We use these areas to write our observations, to plan pupils next steps and to focus on their achievements in any task or activity no matter how small. We learn through topics creating a range of experiences and activities that aim to engage and motivate our pupils. We also focus on pupils' targets from their EHCP weekly. Our children learn through multisensory experiences. We also incorporate their Personal and Physical needs into their learning including physiotherapy.

Focus for this term

Our whole school theme for this term is **“Time Travellers”**
(NC KS1 Events beyond living memory that are significant nationally or global) For Pupils in Bumblebee class we will focus on “The great fire of London” and “The Gun powder plot”)

In Multisensory English we will be Working with the Traditional Tale “The Little Red hen” and “The Enormous Turnip”. We will be focusing on our responses to stimuli, cause and effect and Multisensory experiences. In our Phonics Awareness lessons, we focus on listening and attention skills from the little wandles phonics program. Communication is embedded through out all our learning in class.

In Multisensory Mathematics we will be exploring numbers with numicon in a variety of multisensory learning experiences including number songs and rhymes. We explore other Mathematical concepts through play-based learning.

We will be learning about Plants in Multisensory Science learning about how to plant seeds and help things grow.

In Multisensory PSHE sessions we will be exploring a range of activities and experiences about emotions. In our Creative sessions we will be trying some Multisensory Art experiences inspired by our topic and seasonal events.

Our Sensology lessons are also based on this term’s topic, we are experiencing sounds and multisensory experiences based on our topic Time travellers. For our physical development, We have PE in the hall exploring dance this term as well as either body awareness, physibods, Nursery rhyme physio, A Physio-story, soft play or physio dance every week.

Your child will also have the opportunity to participate in a range of play and adult-led activities linked to our theme such as imaginative play, water/sand play, stories, puppets, role-play with dolls, animal and number songs and rhymes, sensory mark making, play dough, inset puzzles and jigsaws, sorting, counting, creative activities, cooking, computer activities, using the interactive whiteboard, iPad and Magic Carpet or eye gaze and outdoor play.

Our timetable and learning opportunities

Hydrotherapy

We have the Hydrotherapy in the school pool every **Thursday** please send kits in including a towel and specialist swim wear or swim Pads.

Physical Development

We have our PE focus lesson in the hall is on a **Tuesday** and a further physical development lesson in class on a **Wednesday** when we also have soft play.

Other Specialist Rooms / Areas

As a class, we may also have the opportunity to visit and use the facilities in different areas of our school including the library, Magic Carpet, eye gaze music room, computer room and sensory room.

Working with school

School life

Everyday we will let you know what we have been doing in class via the school life app, you can message the class team through the app or email myself using the class email. Tbumblebee@old-park.dudley.sch.uk.

We look forward to sharing all of our news with you. If you have any news from home or information you need to share we would love to hear from you!

Evidence for Learning (EFL)

This is where we record our pupils learning and achievements through photos, videos and observations. We will send at least one observation home a week with a photo or video.

Family Learning Sessions

Throughout the year we host lots of family learning sessions in class, please come and join us, get to know the people who are working with your child and see how your child learns at school and it is also a great chance to meet other families too.

Additional information

Spare clothes

Please send in a change of clothes for your child in case they are required throughout the day. This does not have to be uniform but please include tops, trousers/skirts, underwear and socks as we often need a change of clothes due to water/messy play (we will have more water play during the warmer months). Please label everything clearly. Even with our small class size, it is very difficult to identify which clothes or items belong to which pupil.

We look forward to working with you and seeing your child develop and progress.

Kev Holloway-King

Weekly routine

Please keep this page handy so that you know what items need to be sent in on specific days.
