Early Years Transition into Old Park School

Admissions Statement

Old Park is an all age school catering for pupils with severe and profound learning difficulties. Admission to Old Park School is through a recommendation from an Education Health and Care Plan. To be considered for a place, a pupil will have, or be in the process of receiving, an Education Health and Care Plan. The plan will identify their complex needs and will include severe learning or profound and multiple learning difficulties.

More information can be found at www.oldpark.org
