

## Lower and Middle Phases

When

I

am in Lower and Middle

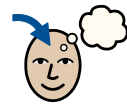

phase

I

will

learn

how the

skills

I

am working

on during

my

lessons

could be used to

help

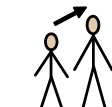

me

when

I

grow up.

My

teachers

will

help

me

to

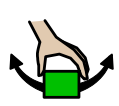

understand

how

adults

use

the

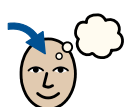

skills

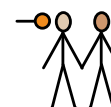

I

am

learning

about in

their

jobs.

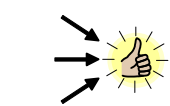

I

will

have

opportunities

to

meet

people

who

work

for

local

services

such as the

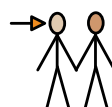

fire

service,

when

they

are

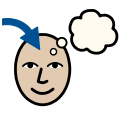

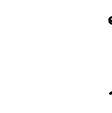

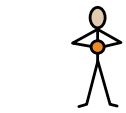

invited

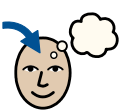

into

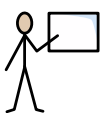

school.

 I  will  learn  about the  jobs  of adults  who  work  in my 

 school.,  e.g.  the  nurses,  the  school  cooks  and the

 site managers.  I  will  also  learn  about the  work  of people  who

 visit  my  school,  such as the  dance  instructor,  the  theatre  group  and

 the  music  tutor.

 During the  review  of my  EHCP,  everyone  who  supports  me  will

 talk to  me  about my  wishes  and  feelings  for the  future  and

 help  me  to  set  some  goals.

Every

Autumn

term

my

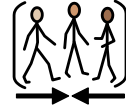

school

will

host

an

event

in school

where

my

family

can begin to get

help

and

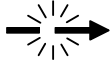

advice

about

what

will

happen

when

I

grow up

and am ready to

leave

school.
