

Work Experience at Old Park

In the past our oldest students have taken part in different

work experience placements out in the community. We

tried out lots of tasks and were able to show several

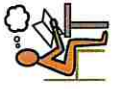

skills.

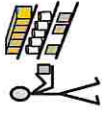

We also have lots of ideas for skills we would like

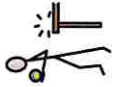

to develop in the future.

Tasks students completed in a local supermarket

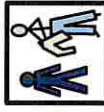

- Stacking shelves

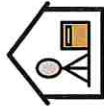

- Removing items, cleaning shelves then replacing items

- Sorting recycling after stacking shelves

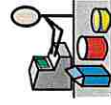

- Tidying changing rooms and returning clothes to the

correct rails on the shop floor

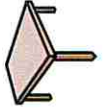

- Cleaning changing rooms

- Scanning items at a checkout

Tasks students completed in a garden centre

- Clearing and cleaning tables in the cafe

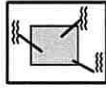

- Watering plants

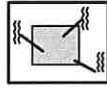

- Potting plants

- Tidying and replacing plant stock

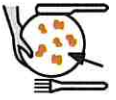

- Putting price labels on pots

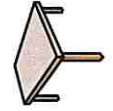

- Putting out description labels for plants

Tasks students completed in a local cafe

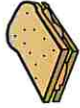

- Clearing tables

- Cleaning tables

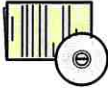

- Sorting washing up in the kitchen

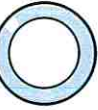

- Preparing salads and sandwich fillings

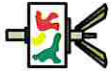

Tasks students completed at a primary school

- Tidying toys and resources

- Washing up cups and plates after snack

- Cleaning art resources

- Helping children with coat zips and buttons

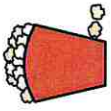

- Helping children in the dining hall

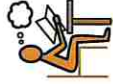

Tasks students completed in a cinema

- Cleaning seating areas

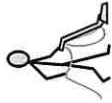

- Assembling popcorn boxes

Tasks students completed at a play centre

- Tidying toys and outdoor play equipment

- Vacuuming and mopping the floor
